

FLORIDA VOTER ENDORSEMENT GUIDE

2018 FLORIDA PRIMARY ELECTIONS

E ENDORSED

P PREFERRED

A ACCEPTABLE

AN ENDORSEMENT indicates a vetted and recommended candidate based on 1) conservative voting record, 2) personal interviews or knowledge of the candidate, and/or 3) thorough research showing a conservative background, training, and experience. Endorsement indicates a very high likelihood of confidence that this candidate will govern and vote as a conservative.

A PREFERRED RATING indicates a candidate preferred as more conservative or more competent than the other candidate/s running in the same race but who cannot be fully supported with an endorsement. A candidate with a preferred status may

claim to be conservative but has no voting record to validate those claims. A preferred status may also indicate that the candidate may have a mixed voting record and therefore cannot be endorsed but is still a better option than the other candidates. Finally, a preferred status may be used where all the candidates are either mediocre or weak and we are simply recommending the slightly better candidate.

AN ACCEPTABLE RATING is used when candidates do not have enough differences between them to warrant either an "endorsement" or a "preferred" status rating, and either candidate would be an acceptable choice.
