Precinct Committeeman, Precinct 23

Edi Meadows (Republican Primary Voters Only)

Precinct Committeeman, Precinct 25

David Starkweather (Democrat Primary Voters Only)

NOTE: In Florida, primary elections are closed primaries. This means you can only vote for candidates with your same party affiliation. If you are registered as a Non-Party Affiliation (NPA), then there will likely be no one you can vote for this election until the general election in November. I have tried to list the best Democrats and the best Republicans even though in the November general election, most Republicans will be better than most Democrats.
