FLORIDA VOTER

ENDORSEMENT GUIDE

2020 FLORIDA GENERAL ELECTIONS

E ENDORSEMENT

AN ENDORSEMENT RATING indicates a single vetted and recommended candidate based on:

- 1) conservative voting record,
- 2) personal interviews or knowledge of the candidate, and/or
- 3) thorough research showing a conservative background, training, and experience.

Endorsement indicates a very high likelihood of confidence that this candidate will govern and vote as a conservative.

P PREFERRED

A PREFERRED RATING indicates a candidate(s) preferred as more conservative or more competent than the other candidate/s running in the same race but who cannot be fully supported with an endorsement. A candidate(s) with a preferred status may claim to be conservative but has no voting record to validate those claims. A preferred status may also indicate that the candidate(s) may have a mixed voting record and therefore cannot be endorsed but is still a better option than the other candidates. Finally, a preferred status may be used where all the candidates are either mediocre or weak and we are simply recommending the slightly better candidate(s).
