

# FLORIDA VOTER ENDORSEMENT GUIDE

2024 FLORIDA ELECTIONS GENERAL

ELECTION DAY IS **TUESDAY, NOVEMBER 5**

**AN ENDORSEMENT RATING (E)** indicates a single vetted and recommended candidate based on 1) conservative voting record or survey results, 2) personal interviews or knowledge of the candidate, and/or 3) thorough research showing a conservative background, training, and experience, as determined by both the FFA team and board of directors. An endorsement indicates a very high likelihood of confidence that this candidate will govern and vote as a conservative within a Biblical worldview.

**A PREFERRED RATING (P)** indicates a candidate preferred as more conservative or more competent than the other candidates running in the same race but who cannot be fully supported with an endorsement. In races where two candidates are preferred, it indicates both candidates met all or most of the endorsement standards above, but do not have significant enough differences to merit an endorsement rating for one candidate over the other. A single candidate with a preferred status may claim to be conservative but has no voting record to validate those claims. A preferred status may also indicate that the candidate may have a mixed voting record and therefore cannot be endorsed but is still a better option than the other candidates. Finally, a preferred status may be used where all the candidates are either mediocre or weak and we are simply recommending the slightly better candidate.
